English,French,German,Russian,Polish,Japanese,Korean,Simplified Chinese

bomber crew skin pack 2. bomber crew skin pack 2 and 3

This is the kind of useless cosmetic DLC i would not care about usually. But as it is included in the season pass, and that the said season pass is being the cheapest way to get all the other DLC, especially the one that will bring true content to the game, then, why not.. Love it! Its awesome to see some historically accurate skins in the game.
